Advocacy/Quality of Life Award

This award was established to recognize an individual, group or organization which seeks to improve the quality of life or speaks in larger settings on behalf of Archdale/Trinity residents. Recipients of this award help foster a culture of citizenship and service that acts as a catalyst for others to become involved in civic and social activities. During 2020 as our community was challenged with a global pandemic, our hearts have been encouraged by the selfless acts of courage and kindness of our neighbors, friends and colleagues. This is our opportunity to recognize those community heroes who have risen to the challenge.
